The name you wish to have on your event must be submitted 2 weeks prior to selected race meeting for approval. Names are up to 30 Characters in length (including spaces). The NSW GBOTA will select race positioning, distance and grade. Race names must not include any offensive language, double entendres or innuendo that may offend¹.

Entry

We ask race sponsors to get to Maitland Greyhounds prior to Race 1 and see staff located at the Race Night Office on arrival. Any additional information will be given to you by Maitland Greyhounds staff at this point, as well as arranging a suitable meeting spot and time for your presentation. If you have any questions please do not hesitate to speak with staff in the Race Night Office. The Race office is located at the entry of Maitland Greyhounds Track.

Trophy

As part of your sponsorship we request you bring a trophy for presentation to the winning connections of your event. A basic bottle of wine is well received and makes presentations run smoothly.

Trophy costs are not included in the Race Sponsorship Fee, however Maitland Greyhounds (NSW GBOTA) are happy to supply a trophy for an additional cost if required.

Presentations:

Up to two members of the group will be permitted on the track to complete the presentation following the race. Groups are requested to be at the Presentation area, in front of the winning post immediately following the running of sponsored event. Those completing the presentation should be adequately dressed. Persons who are not dressed appropriately or intoxicated will not be permitted to participate in the presentation.

Guests are reminded that it is an offence to invade the racing surface. Police attend Maitland Greyhounds race meetings and charges WILL BE laid if a patron runs on the track without permission. A fine of \$5,500 will also be issued. We do not offer any leniency with these charges or the fine.

¹ Whilst our staff screen race names, if you choose to include phrases or words that are deemed offensive by the TAB or Greyhound Racing NSW (eg a double entendre that may not be initially picked up by our staff), no monies will be refunded if the race name is cancelled or amended after your payment has been made. This is because the race vacancy is removed from sale once you book and pay for the race name.
